

Dear boss,

I would like to kindly ask for our department to be given the afternoon off on November 29th to attend the Reindeer Games.

You see, Sport Nova Scotia needs our help to raise money for amateur sport and entering a team would make a big difference! You're always telling us how valuable teamwork is, and what better way to connect with colleagues than competing together in a light-hearted holiday-themed competition? We've been working hard all year long and this would be perfect for our office holiday party!

Although I'm confident we've already convinced you, if you want to learn more about the event, check out [reindeergames.ca](http://reindeergames.ca)

Thank you for understanding.

Best Regards,

Future Reindeer Games Champions
